Information Bulletin...

An I.S.O. 9001:2015 & G.M.P. Certified Company

Shree Herb delivers you comprehensive health solutions of World's most effective nonpoisonous & vegetable Herbal plants prepared by Cohobation Method according to the Traditional Alchemy as described in Vedas, Samhitas. These remedies have no side effects & speed action to cure all diseases from its root by purifying the main two vital fluids of all living organisms i.e. blood & lymph. For the improved health & wealth, the company has introduced high quality, condition specific, natural products that delivers 100% nutritional requirements of the human body and are made using scientific formulations, green ingredients and modern manufacturing processes. All the products are the combination of World's most miraculous Spagyric herbs & Quantum Science with Aroma therapy, Magneto therapy, Medico-astrology which make our products complete from all part & gives you complete health benefits.

Step of Lion..

Live your Life
with Happiness...

From the C.E.O.'s desk...

In Indian culture, we have a Sanskrit saying which goes like ...
"Shareer Madhyam Khalu Dharma Sadhanam" i.e. good health is must for performing one's duty or Dharma. I am glade to say that we get the divine chance to follow the Indian culture & imparting our traditional holy knowledge of preparation of gold like medicine for the service of mankind. I would like to repeat my expressions through these few lines:-

*"Moving Onwards was the nectar of his efforts,
And continues Moving, the Tasteful achievement.
Look at the Sun, the Supreme source of Light who has been moving on and on...
From the very beginning of the Universe, And did not stop even for a single Day,
So March on ! March on !..."*

आयुस्मान् भवः

A Smart solution can build your Career...

Nature's Care for a Better Health...

About us:

SHREE HERB is an *I.S.O. 9001: 2015*, *G.M.P.* & *Fssai Certified* herbal medicine manufacturing unit & under technical collaboration with SEWA Charitable Trust. Here in Shree Herb, all Indian and imported herbs and raw materials are used for the preparation of the Spagyric Essence which are tested for their pharmacopeias requirements

Shree Herb delivers you comprehensive health & wealth solutions by leveraging traditional knowledge in herbs and botanicals through modern scientific delivery principles. We prepare the formulations after a lot research on Atharvaveda and other several ancient books of Lord Dhanwantari, Nagarjuna, Charak, Shusruta, Jivak, Ambhika, Paracelsus, C.C. Mattei These remedies are prepared from nonpoisonous plant and vegetable kingdoms and by a unique method called Cohobation. So these are quite harmless, no side effects, quick action, cures all disease from its root by purifying the main two vital fluids of all the living being i.e. Blood & Lymph and is simply can be used by anyone.

For the improved health & wealth, the company has introduced high quality, condition specific, natural products that delivers 100% nutritional requirements of the human body and are made using scientific formulations, green ingredients and modern manufacturing processes. All the products are the combination of World's most miraculous Spagyric herbs & Quantum Science with Aroma therapy, Colour Therapy, Magneto therapy, Medico-astrology which make our products complete from all part & gives you complete health benefits..

RENOCARE Caps.

RenoCare is a comprehensive supplement in maintaining healthy kidney and bladder function. The kidney plays an important role in eliminating the waste products from the body by filtering the blood. The human body filters about 200 litres of blood daily and eliminates upto 2 litres in the form of urine containing toxins and other wastes. Improper functioning of kidneys causes these toxins and wastes to accumulate in the body which affects the immune system and sensitive organs of the body such as eye, heart.

The ingredients of Renocare offers a comprehensive approach, as supplement, in maintaining healthy kidney and bladder function. The combination of Tinospora cordifolia, Bergenia ligulata, Tribulus terrestris, Berberis vulgaris, Bryophyllum calycinum and Boerhaavia diffusa synergistically have nephroprotective, anti bacterial and anti inflammatory activities to prevent the formation of Kidney stone, ensure retention of nutrients, maintenance of fluid balance and control bacterial growth.
